JAG President Kiara Boyd and Vice President, Lindsey Minton fill-out their Vincennes and Ivy Tech applications! We are partnered with Vincennes and Ivy Tech and appreciate all of the opportunities they present for our JAG students!!

Academic Achievements

Congratulations to Nolan Kelley on being awarded his Academic Letterman Jacket. Nolan chose his JAG Specialist and basketball coach Karl Turk to award his jacket. To make the moment a more lasting memory Mr. Turk "dusted" off his over 20 year old Academic Letterman Jacket and the two traded jackets while reveling in the shared accomplishment!

Career Exploration and Life Lessons!

Senior Cody Morris (2nd Morris JAG Sibling) is a goal setter setting his sights higher!

His SMART goal was to visit the Lift Academy...check. Now he's on to his next goals. Sky's not even the limit for this future pilot!

Michaela Nees, class of 2021, set a SMART goal for January to learn how to change the oil in her car, while class of 2020 grad, Anna Powell has become LASH Certified!

The president of the North Putnam Career Association for 2020-2021, is RJ Human. RJ wears #89 on the football team, enjoys lifting, and recently found out he was chosen to play the part of Lurch in the Addam's Family musical to be held this spring at NPHS. While he may be tall, tough and intimidating on the football he's really just a big teddy bear at heart who cares deeply for others. RJ said that he ran for the office of president because he wanted to improve his leadership skills. He's well on his way!

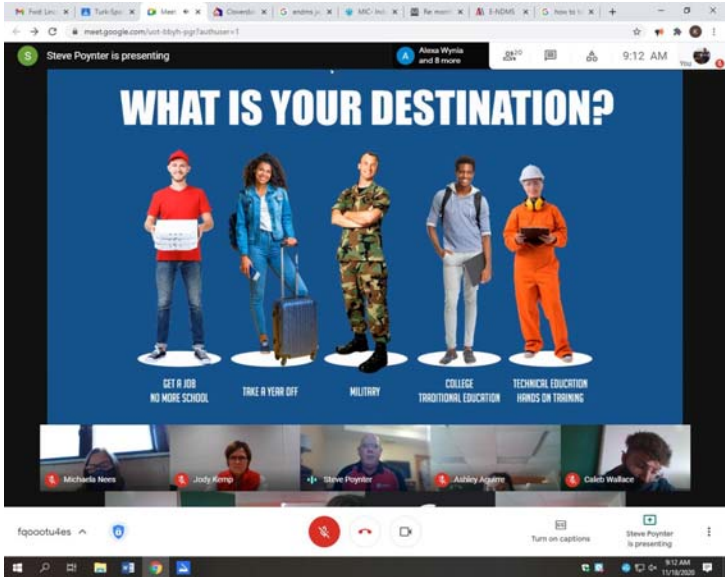

The monthly follow up with the previous year's seniors is one of the components that sets the JAG program apart from traditional curriculum. We recently followed up with our new Texas resident Kami! She's attending college and recently showcased her interview skills by getting a job at a San Antonio area nursing home!

Guest Speakers

Mr. Steve Poynter of Lincoln Technical Institute recently joined the Cloverdale JAG students virtually to present the Lincoln Technical Institute College pathway to future goals!

Cloverdale JAG welcomed their first guest speaker of the year, Sebastian who recently moved to Cloverdale, IN from Degollado, Jalisco, Mexico. The JAG Students welcomed him to Cloverdale and he gave the students a look into his culture and everyday life.

Region 7 JAG News Spring 2021

Here are just a few highlights of the great things going on with our JAG programs.

2020 Career Development Conference

Once again, the JAG (Jobs for America's Graduates) programs in Region 7 hosted their annual Career Development Conference. The Conference is the opportunity for the students to demonstrate the skills they have been learning throughout the school year.

As with many events this year, the Conference was held virtually. The students have continued to adapt and stepped up to meet the challenges with some outstanding performances.

The winners in each contest will move on to the State Competition later this spring. Congratulations to everyone who participated, and good luck to the competitors who will be representing Region 7 at the State!

JAG State Career Development Conference

Once again the winners from our local JAG Career Development Conference took part in the State Competition, facing off with winners from the other 12 Regions in our state. As with last year's event, this competition was held virtually, and the winners were announced on May 7th.

Region 7 was well represented during the competition and took home the following awards:

Chloe Smith Cloverdale High School - 3rd Place Career Presentation

Kiara Boyd Cloverdale High School - 3rd Place Employability Skills

Darcie Cox North Putnam High School - Honorable Mention Outstanding Senior

Congratulations to all of the outstanding students from our Region who competed in this year's State Competition.

Mock Car Crash

The Sullivan JAG Students were once again able to present their annual mock car crash to share with their fellow students the dangers of impaired driving.

From the Sullivan County Sheriff's Department:

Sullivan High School students witnessed first-hand the reality and consequences of impaired driving, at the scene of a mock drunk-driving crash, held Friday afternoon at the high school.

The teen audience saw firefighters extricate fellow students from the mangled vehicles, just before they were taken away in waiting ambulances.

Student volunteers played the part of injured victims.

Emergency crews from the Sullivan City Fire Department, Sullivan County Ambulance Service and Air Evac Lifeteam were joined by officials from the Sullivan County Sheriff's Office, Sullivan City Police, and Indiana State Police.

Students remained quiet, as Southwest School Corporation Chief Jim Dotson narrated the event.

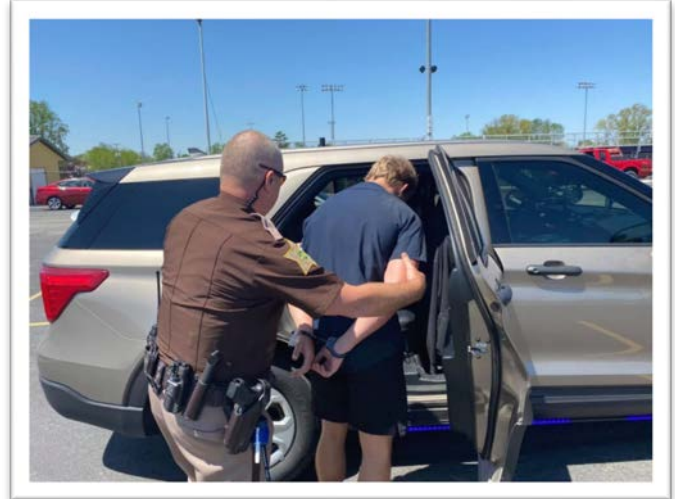

The Chief stressed to students to have a "safe ride", pre-planned well before getting into a vehicle with an intoxicated driver.

While Spring Break means time away from school, it doesn't imply time away from the workplace! Many of our students are using this week to get in additional hours and training on the job! Pictured are juniors Michael Phillips and Isabella Branneman of Rizzo's of Cloverdale and Destinie Abernathy of Wal-Mart of Greencastle!

Jesse W. Mitchell has been a 2-year member of our Cloverdale JAG cohort, and is well on his way to not only becoming an Executive Chef but also eventually becoming a restaurant owner, while Parker Stevenson will be joining Crown Equipment after he completes school.

Which historical figure would you most like to meet?

I'm not really interested in meeting specific people but I'd really like to visit historical sites as they were being built or created. The Great Pyramids, Chaco Canyon, Nazca Lines, Machu Picchu, The Grand Canyon, The Himalayas, and Petra.

What's your favorite holiday?

My favorite holiday is Christmas because it's a part of the winter break and I love snow.

Where do you see yourself in 10 years?

In 10 years, I see myself as an owner and manager of a successful small business. Preferably a digital media and marketing company because it blends creative and analytical thought.

What was your favorite subject in school?

My favorite subject was always English because I enjoyed telling stories and evoking specific emotions.

Where would you go if you knew you might get stuck there for a year?

If I might get stuck somewhere for a year then I wouldn't mind going to northern Europe or Alaska because of the winters or South Korea because I lived there for 7 years.

Job Shadowing

Parke County REMC recently hosted students for a week of job shadowing. The students also got to meet with CEO Chadd Jenkins and learn about his role and what it takes to be a good leader.

JAG Students dedicate bench to memory of fellow students

This year's Cloverdale JAG students from the 2021 and 2022 classes collected the funds rewarded to them in their competitions to pay for this bench to honor 3 classmates from the class of 2020 who recently passed away. Rather than donut parties, new classroom decor, etc. they paid tribute to students who weren't even in their graduating class.
